✚ **Please note:** NDEBUMOG is embarking on these projects/programs tracking (independently), without support from anywhere. It is part of our contribution and sacrifice(s) for the development of Nigeria's society/ communities. Oxfam only supported the above capacity building, whilst, NDEBUMOG is moving the above beyond capacity building as part of our institutional commitment to democratic inclusion and freedom, geared at engendering community development and democratic consolidation in Nigeria. Every citizen, should pay attention to fiscal inclusion as a democratic right, without waiting for any organisation to beckon on them to do so!
